Common Paragraph For All Users

The programmers are the main source of income for eye doctors.

Start Typing...

Extra key-strokes : 1

Result Of User 1

The programmers are the main source of income for eye doctors.

Extra key-strokes : 2

Wpm : 14

Raw Speed : 15

Accuracy : 96.83%

At this speed, your typing speed is way below average, and you should focus on proper typing technique (explained below).

Result Of User 2

The programmers are the main source of income for eye doctors.

Extra key-strokes : 14

Wpm : 6

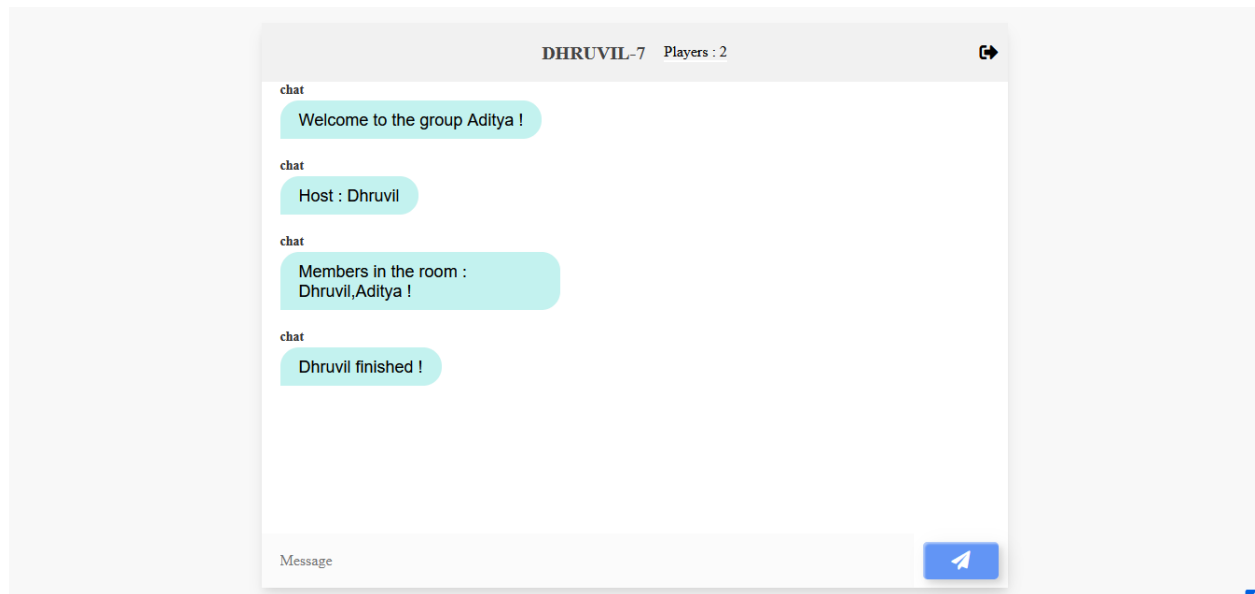

Raw Speed : 8

Acurracy : 81.33%

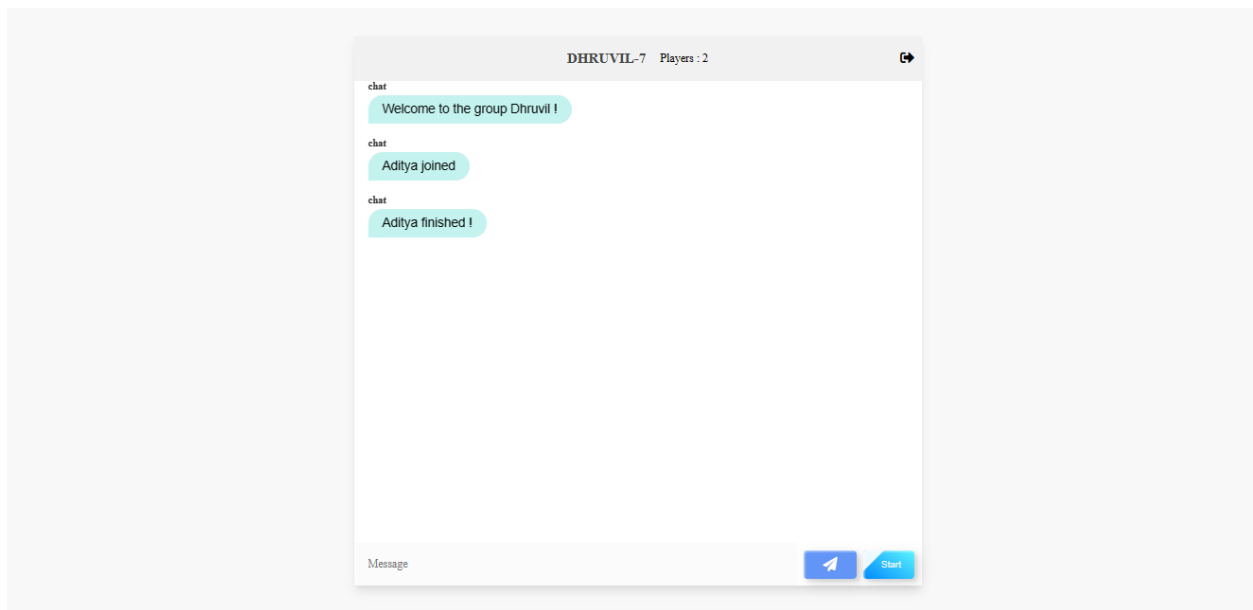

If this is your starting then the end will be bright after few practice
